Your recently viewed items and featured recommendations Amazons much-awaited Great Indian Festival 2024 is just around the corner. You can expect a flurry of incredible deals, offers and new launches. Whether you are a seasoned online shopper or new to the world of Amazon, this comprehensive guide will help you make the most of your shopping experience. From downloading the mobile app to unlocking exclusive benefits and deals by becoming a Prime member, heres everything you need to know to get started on Indias trusted and preferred online shopping destination. The Amazon shopping app is your gateway to a seamless shopping experience. Available on both Android (Google Play Store) and App Store, the Amazon app provides easy access to millions of products, special app-only offers, and notifications about upcoming sales such as the Amazon Great Indian Festival. The app empowers you to shop on the go, track your orders in real-time, and receive personalised recommendations. Creating an account on Amazon.in is simple and takes just a few minutes. Here are the steps to create your account on a desktop.Visit Amazon.in and click on the Accounts & Lists optionSelect the New customer? Start here option and registerEnter your name, mobile number or email ID, and a secure passwordVerify your account by entering the OTP sent either to your email or mobileIf you are using a browser on a mobile, follow these steps:Visit Amazon.in and click on the Sign In buttonEnter your mobile number or email IDYou will be directed to a Create Account where you must enter your name, mobile number or email id, and a secure passwordVerify your account by entering the OTP sent either to your email or mobileYou can also create an account on the Amazon shopping app.Once you have downloaded the Amazon app from Play Store or the App Store, tap on the Create an account optionEnter your name, mobile number or email ID, and a passwordTap Continue and verify your account by typing in the OTP sent either to your mobile or emailYour account is set up once verified, and you are all set to explore Amazon.in.Once your account is created, a shopping profile is automatically generated which allows you to personalise your shopping experience. You can create wishlists and get product recommendations tailored to your interests. You can also choose your preferred language for browsing and shopping. Currently, Amazon supports Hindi, Tamil, Telugu, Kannada, Malayalam, Marathi and Bangla, besides English. Amazon.in provides several features that make finding the best deals a breeze. You can access daily discounts on popular products through the Deal of the Day feature, while Lightning Deals offer limited-time promotions on various items. Lightning Deals get updated every few hours; so its important to act quickly, add the items to your cart and buy them before they sell out. With Price Drop Alerts, you can track product prices and receive notifications when theres a reduction. To ensure a smooth shopping experience all year round and especially during the Amazon Great Indian Festival, make sure you stay logged in to your account with payment information saved for a quick checkout. This will help you snag those limited-time deals.Once your account is all set up and you know what you want, you can start by adding items you want to buy to your cart. Placing an order on Amazon.in is just as easy as creating your account. Here are the steps.Search for a product by typing the name of the item you want to buy in the search barNarrow down your search by choosing from the options on the left - select a brand, feature, colour, or price rangeAdd items to your cartOnce done, tap the cart icon and click on Proceed to BuyAdd a delivery addressChoose a payment method, enter the details appropriately and click on ContinueReview the items in your cart and click on Place your orderOnce your order is successfully placed, you will receive a confirmation email and a SMS message with the delivery details.Dont fret if you have placed an order for an item unintentionally. You can cancel items or orders by visiting the Your Orders section in your account. To cancel orders before they are shipped, just follow these simple steps:Go to Your OrdersSelect the item you want to cancel and click on Cancel itemsProvide reasons for the cancellation (optional) and proceed.Cancelling orders that are already shipped is just as simple. Here is how to do it:Go to Your OrdersSelect the Request Cancellation option and proceed.If you have already made the payment, a refund will be issued to the original payment method. In case you are unable to cancel the order or are not able to see that option, you may refuse to accept the order at the time of delivery. To know more about refunds, refer to the refund policy. Amazon Prime membership offers a host of benefits designed to enhance your shopping and entertainment experience.
