

I'm not robot

To help students prepare for their final exams in 2024, we are providing a digital matrix of objectives and contents. This matrix serves as a guide to understand what topics and skills will be evaluated on the exam, allowing students to focus their studies effectively. You can download the matrix directly from the link below and ensure you're prepared for all the topics that will be covered. The matrix includes information on various subjects such as Portuguese, English, Mathematics, Physics, Chemistry, Biology, Geography, Philosophy, French, and more. By clicking on each subject's link, students can access detailed information on what will be expected of them, including main materials and skills to be developed. We are committed to helping students prepare for their exams by providing all the necessary resources in one place. We also express our deepest gratitude to the team that worked tirelessly to create the exam guidelines, ensuring a high-quality material for students. To support students' preparation, we encourage them to share this news with their friends, colleagues, and family members through social media icons below. Additionally, we provide access to previous exams from 6th, 10th, and 12th grades to help students prepare well in advance. By preparing early and staying focused, students can achieve success in their academic journey. Let's work together to support each other's academic goals! Exames de Filosofia da 12ª Classe estão disponíveis para todos os alunos que desejam se preparar para os exames finais, permitindo que eles fortaleçam sua preparação e se destaquem no Ensino Secundário de Moçambique. Essa ferramenta gratuita está disponível em PDF e pode ser baixada para evitar ser pego de surpresa durante as provas. Aproveite essa oportunidade para aprofundar seus conhecimentos históricos e preparar-se para os desafios que se aproximam. Estudar Filosofia é uma oportunidade única para os estudantes prepararem-se adequadamente e aprofundarem o conhecimento nesta ciência importante.
